## FOR IMMEDIATE RELEASE

### Eastbound Interstate 210 Foothill Boulevard on-ramp to close the night of Feb. 6

*Construction part of ongoing \$148 million pavement rehabilitation project*

**LA CAÑADA FLINTRIDGE** – The California Department of Transportation (Caltrans) will close the **eastbound** I-210 Foothill Boulevard on-ramp next week for up to 45 days.

During the closure, crews will pave roadway across from the ramp.

Starting the night of **Feb. 6**, drivers will not be able to use the eastbound I-210 Foothill Boulevard on-ramp.

For access to eastbound I-210, drivers can use the Berkshire Place on-ramp off Oak Grove Drive or the Angeles Crest Highway on-ramps near Foothill Boulevard.

Both eastbound Angeles Crest Highway on-ramps (northbound and southbound) have been closed since Jan. 2, but will **reopen** Feb. 6.

Detour and message signs about the scheduled closure will be posted.

Drivers are advised to plan ahead, and use the Caltrans QuickMap at [quickmap.dot.ca.gov](http://quickmap.dot.ca.gov) for information on travel conditions. The app is free on Google Play and the App Store.

Drivers are also reminded to be “*Work Zone Alert*” and “*Slow for the Cone Zone.*”

### ABOUT THE I-210 PAVEMENT REHABILITATION PROJECT

The Foothill Boulevard on-ramp closure is part of a \$148.5 million pavement rehabilitation project for a 9.7 mile section of I-210 from the La Crescenta-Montrose area of Los Angeles County to Pasadena.

The new surface will provide a smoother ride for drivers and reduce the need for regular maintenance and further lane closures.

The project started in Spring 2015, and is scheduled to be complete in Summer 2018.

###

**BE WORK ZONE ALERT**
